

Avery MPI 3020 HOP High Opacity – Matt white Permanent 95 mic.

MPI 3020 HOP is a matt white, self-adhesive monomeric calendered vinyl, with clear permanent adhesive with a opacity above 99% means you can use clear adhesive with any application. The facestock offers good printability and attractive whiteness levels, making this an optimal and cost-effective solution for a wide range of short-term, promotional applications.
