

P/TEXROL | Textured grey-back PVC-free fabric 310gsm

Product Code: P/TEXROL

TEXROL works like your everyday roll-up or pop-up media — but better. Made from a drapeable, PVC-free fabric, it combines flexibility with a soft-touch texture to elevate the look and feel of your graphics. Designed with a greyback construction, it delivers strong, high-impact colour across a wide range of environments, while the fire rating provides added reassurance for event and exhibition applications.

A multi-use display fabric for roll-ups, hanging posters, canvas prints, and general display graphics needs.

Product Features

- Textured fabric finish for a more premium feel
- Greyback for high opacity and strong, vibrant graphics
- Fire rated for peace of mind
- Excellent drapability for hanging and display applications
- Double-sided coating for dependable print results
- Free from PVC
