## EWJ7449 - ArtCanvas ROMA Cotton Mat/Satin 370 gr. **HP Latex Certificeret.**

EWJ7449 is a digital canvas of medium to coarse grain for artistic reproduction. This rustic look is produced through a combination of 100% cotton and the structure of the yarn (in this case, the thread structure is two threads per weft and two per warp). This makes it ideal when it comes to digital pictorial reproduction. With this canvas you get uploaded images of strength and stamina, which will give the appearance of a real artistic canvas.
