

**EWJ5526 PadMe Easy 300 mic. Matt. Silicone glue - EasyApply PET liner**

It is no job applying EWJ5526 PadMe Easy on flat surfaces as the film does it by itself. The repositionable silicon glue sticks perfectly on all smooth and flat surfaces and the 300 mic. composite material out of PVC and PET works together perfectly and applies itself on windows, walls and any other surface. Printable with all digital printing technologies and with the washable glue-side PadMe Easy is an allrounder for all sign makers.
